JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

## NEW BRUNSWICK.

*Inspection service at St. John.*ST. JOHN, NEW BRUNSWICK, *February 17, 1902.*

SIR: I have the honor to report that during the week ended February 15, the following vessels and seamen have been inspected by me: Steamships, 2; schooners, 4; seamen, 121.

Respectfully,

T. D. WALKER,  
*United States Medical Inspector.*

The SURGEON-GENERAL,  
*U. S. Marine-Hospital Service.*

## PHILIPPINE ISLANDS.

*Report from Manila—Plague among rats subsiding.*MANILA, P. I., *January 11, 1902.*

SIR: I have the honor to report that no cases of plague or smallpox occurred in Manila P. I., during the week ended January 4, 1902.

Respectfully,

J. C. PERRY,  
*Passed Assistant Surgeon, U. S. M. H. S.,  
Chief Quarantine Officer for the Philippine Islands.*

The SURGEON-GENERAL,  
*U. S. Marine-Hospital Service.*

MANILA, P. I., *January 15, 1902.*

SIR: I have the honor to report that the city of Manila still remains free from plague, no case having occurred during the week ended January 11, 1902. The epidemic of plague among rats is apparently subsiding, as during the month of December the percentage gradually declined from 5 per cent, and for the past two weeks no rats affected with this disease have been found, although the total number of rats killed and examined has slightly increased.

Respectfully,

J. C. PERRY,  
*Passed Assistant Surgeon, U. S. M. H. S.,  
Chief Quarantine Officer for the Philippine Islands.*

The SURGEON-GENERAL,  
*U. S. Marine-Hospital Service.*

## PORTO RICO.

*Reports from San Juan and subports for January, 1902.*SAN JUAN, P. R., *February 5, 1902.*

SIR: I have the honor to submit herewith the following report of transactions at this and the several subport quarantine stations of the island of Porto Rico, for the month of January, 1902:

*San Juan.*—Number of vessels inspected, 24; bills of health issued, 38; vessels held in quarantine, 2; vessels disinfected, none; passengers detained, none; pieces of baggage disinfected, 62; packages of mail disinfected, 4.

On the 18th instant there arrived the French steamship *Ville de Marseille* and the Spanish steamship *Cataluña*. The French vessel arrived from Saint Marc, Petit Goave, Port au Prince, Gonaives, Cape Haitien, and Puerto Plata. She carried clean bills of health, and all of her passengers for San Juan were landed as immunes, the vessel being held in quarantine under guard while she remained in this port. Twenty-three pieces of baggage and 1 sack of mail were removed to the island
